

Alternators

Introduction of 5 New Alternator part numbers

We are pleased to announce the availability of five new Alternators which have been added to our range.

Background:

- All brand new and premium quality products pioneered by DENSO for the Aftermarket.
- 5 Alternators for vehicles with 3cyl/1,0L and 4 cyl/1,2L-2,2L Small Gasoline Engines.
- 5 Alternators for 500 unique GM vehicle applications.
- 5 Alternators applicable for more than 10 Mio GM vehicles in Europe.
- A wide scope of GM vehicle model coverage from early '90s to late '00s.
- Coverage increase = 3.3% (now 23% of EU car park).
