

Starters & Alternators

Introduction: 21 New Parts

We are pleased to announce the launch of 21 new Rotating parts which will be added to our range in March 2017.

- > **21** new part references including **6** Alternators and **15** Starters.
- > Filling the gaps in TOYOTA Alternator coverage with special focus to Diesel applications.
- > Expanding JLR Starter coverage with new popular applications.
- > A jump-start to HONDA and BMW Starter applications.
- > Covers a total of **444** vehicle applications (**46** in Alternators and **398** in Starters from the listed Makes&Models) and **108** OE part numbers.
- > This expansion will bring the total number of part numbers to **360** (**244** Alternators and **116** Starters) and range coverage to **4763** applications (**2803** in Alternators and **1960** in Starters)
- > All brand new and premium OE quality.
