

Glow Plugs

2 Ceramic Glow Plugs Superseded

- > 2 part numbers with ceramic technology have been superseded by metal glow plugs
- > The metal plugs have new double-coil technology with equal heat up times and performance as ceramic glow plugs
- > The lower cost of metal glow plugs, combined with same performance as ceramic plugs, make them ideal for the Aftermarket and offer a price advantage
- > There is no change in applications and cross references for these new metal plugs

Current Part Number	Current Technology	New Part Number	New Technology
DG-302	Ceramic	DG-641	Double Coil
DG-312	Ceramic	DG-646	Double Coil
